---

Dear Families of St. Patrick's School,

As this very busy year comes to a close, I want to thank you for your ongoing partnership and support in the Catholic education of your children. It has been a wonderful year of learning and growth, as was evidenced in the report card your child(ren) brought home this week. We celebrate the successes of our students over the course of this year. To those students who are leaving to places of higher learning, remember to share your God given gifts with your new classmates. To those students that are returning next year, continue to share these gifts among our school community as it not only makes you better; it makes our school better!

Given that we are a growing community, it is difficult, at this time, to share our organization and classroom placements. As last year, exact classroom placements and teachers will be shared with students on the first day of school. When the bell rings on September 3, all students will be welcomed into the gym at which time we will divide into classes to start our day. We look forward to welcoming many new students and some new staff to our St. Patrick's family in the fall.

Each year we bid goodbye to our graduating class of Grade 8's as well as to staff that are transferring to different assignments. The following staff will be leaving St. Patrick's School at year end:

- Alahna Dunnigan (Grade 4/5 LTO)
- Chelsie Lichty (Kindergarten Prep Teacher)
- Falynn Whynacht (Kindergarten Prep Teacher)

Please join me in thanking all staff for their dedication and in bidding adieu to those that are leaving us.

The last day of school for your children is Thursday June 27. At this time, it is with great sincerity that I thank the community for a wonderful first year here in Caledonia and I look forward to welcoming everybody back in the fall. Have a wonderful summer with your families, keep safe and have fun! God Bless.

Sincerely,

Danielle Becks  
Principal  
St. Patrick's School
