

St. Patrick's School presents our third annual...

St. Patrick's School is pleased to bring back the 12 Days of Christmas. This wonderful lead up to our Christmas vacation keeps in mind both the liturgical and secular significance of the season and the idea of giving back to our community. Each day, for 12 school days leading up to Christmas vacation, our community will take part in some type of festive event or activity that will bring us together as a community while embracing this most wonderful time of year. We can't wait to hear and see the joy of the season in our halls and classrooms.

Date	Event
